Town Flag

Historically, the Town of Wenham never possessed an official Town Flag. In an attempt to change this, the Hamilton-Wenham Junior Girl Scout Troop 615 designed two Town Flag alternatives designated Flag Option "A" and "B." Flag Option "A" has a full color seal on a white background with a blue border and gold fringe. Flag Option "B" has a full color field with a gold and black seal over printing field with a gold border. Residents were asked to cast their ballot for their favorite design and voting was closed on Friday, June 11, 2004.

The official results are as follows:

<u>Flag "A"</u>	<u>Flag "B"</u>
